Hello Freddie,

I'm Jean-Baptiste (JB) and I am 11 years old. I live in Lyon, in France. I have two older sisters and one younger brother.

1. Comment tu t'appelles ?
2. Quel âge as-tu ?
3. Où habites-tu ?
4. Est-ce que tu as des frères ou des soeurs ?
5. Quel est ton sport préféré ?

My favourite sport is football, normally I play twice a week and I have matches at the weekends.

I have won one gold trophy, one silver medal and three bronze medals.

At school, I like maths but I don't like music or art.

I hope you are ok during the confinement and that your family is well too.

I look forward to hearing from you.

Goodbye,

JB.
